MAN'GO 12 AN ARTICULATED BOOM WITH A TWIST

\$59,999 +GST
ONLY!*

The MAN'GO 12 aerial work platform is a new concept in access platforms, combining the benefits of both articulated and telescopic platforms. Originally designed for rental operators, it's also perfectly suited to professionals who need to work up to 12m.

Compact and suited for outdoor terrain, it can easily navigate in congested work sites and tight storage spaces. Once folded, its small chassis made it easy to store.

MAN'GO 12 USED IN SHADES BUILDING.
